

P.3 LESSON NOTES LITERACY 1B FOR TERM I

Date	Class	Subject	Time	No. of pupils

THEME : **Our sub county**

SUBTHEME : **Name and location of our sub – county**

CONTENT : ***Location of our sub - county***

The word location means a particular place where something is found.

Our sub- county is located in Mukono District.

*Another name for a sub – county is **a Division***

The name of our Division is Mukono Central Division found in Mukono Municipality.

The table below shows sub regions in our division/sub – county

<i>Area</i>	<i>Head</i>
District	L.C V Chairperson
↓	
Counties / Municipality	Mayor /County chief
↓	
Sub – county/ Division	LC III Chairperson
↓	
Parish / ward	LC II Chairperson
↓	
Zone / village	LC I Chairperson

Activity

- 1. What is the name of our sub – county/ Division?***
- 2. In which Division is our school?***
- 3. What title is given to the political head of a Division?***
- 4. Mention the smallest division/ unit in our sub – county***
- 5. In which District is Mukono Central Division found?***

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Name and location of our sub – county

CONTENT : Our Municipality

Municipality is an urban area headed by a mayor

Examples of municipality in Uganda

- *Mukono municipality*
- *Jinja municipality*
- *Mbarara municipality*
- *Gulu municipality*
- *Lira municipality*

NB: In rural areas, municipalities are at the level of counties

Counties in Mukono District

- *Mukono North county*
- *Mukono South county*
- *Nakifuma county*
- *Mukono Municipality*

Characteristics that enable an area to become a municipality

- *It must have very many people living in it.*
- *It must have improved social services.*
- *It must have many economic activities*

Our Division is found in Mukono Municipality.

The mayor of Mukono Municipality is Mr. Fred Kagimu.

Divisions in our municipality

- *Mukono Central Division*
- *Goma Division*

Activities

1. Who is the highest political head of a sub county / division?
2. What is the name of your municipality?
3. Outline one characteristic that enables an area to become a municipality.
4. Mention two municipalities neighbouring yours
5. Who heads a municipality?

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Name and location of our sub – county

CONTENT : *Sub – Counties in Mukono District*

A sub – county is an area headed by LC III chairperson.

In urban area a sub – county is known as a Division

Sub - counties in Mukono District

- *Nakisunga sub – county*
- *Ntejeru sub – county*
- *Mpata sub – county*
- *Mpunge sub – county*
- *Kome sub – county*
- *Kyampisi sub – county*
- *Nabbale sub – county*
- *Kimenyende sub – county*
- *Kasawo sub – county*
- *Nagojje sub – county*
- *SeetaNamugongo sub – county*
- *Nama sub – county*

The name of our – sub county is Mukono Central Division.

Wards that make up MukonoCentral Division

- *Gulu ward*
- *Ntawo ward*
- *Namumira ward*
- *Nsuubekauga ward*

Note: Our school is located in Gulu ward

Zone that make up Gulu ward

- *Kitete zone*
- *Bnasuti zone*
- *Namubiru zone*
- *Nabbuti zone*
- *Takajjunge zone*

Note: *Our school is located in kitete zone / village*

Activity

1. *In which ward is your school located?*
2. *What title is given to a person who heads a zone?*
3. *Give the name of your village*
4. *Mention any two zones neighbouring yours.*
5. *Fill in correctly*

District ward 	 LC. III chairperson LC I chairperson
------------------------------	---

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county (Division)

SUBTHEME : Name and Location of our sub county

INTRODUCTION : The lesson will be introduced by asking learners
the name of our sub county.

CONTENT :

Maps and pictures

A picture.

A picture is a representation of an object as seen and drawn from aside.

Maps

A map is a representation of an object as seen and drawn from above.

Examples

Diagrams of pictures of different drawn objects

Name	Picture	Map
Tree		
House		
Table		
Pot		
Basket		
Cup		

Differences between a map and a picture

- *A map is drawn as seen from above while a picture is drawn as seen from above.*
- *A picture is more detailed than a map.*

Similarities between a map and a picture

- *Both are drawings of objects.*
- *Both represent real objects.*

Exercise

1. Define a map.
2. What is a picture?
3. State the difference between a map and a picture.
4. Draw the maps of the following objects
Tree, Pot, House
5. Draw pictures of the following objects.

Basket,

Bottle ,

Cup

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county (Division)

SUBTHEME : Name and Location of our sub county

INTRODUCTION : The lesson will be introduced by reviewing the name of our sub county.

CONTENT : **Location of our sub county**

Map reading

Maps help to show different places

These include schools, villages, market places.

Elements of a good map

A good map should have the following elements:-

- Title
- Key
- Compass direction
- Scale
- boundary
- Frame

Qualities of a good map

- A good map should have a scale
- A good map should have a compass.
- A good map should have a title
- A good map should have a key
- A good map should have a frame

Uses of each map element

- A title is used to tell us all about a map.
- A compass direction helps a map reader to know and find direction.
- A scale is used to calculate the actual distance on the map.
- *Boundary / frame – it encloses the map / beautifies the map*
- The key is used to explain all map symbols and colours on the map.

Exercise

1. Give one importance of a map
2. List three elements of a good map.

3. Write the uses of each map element

- a) Key c) A compass
b) A scale d) A title

A sub county map should be drawn to indicate all the above elements

4. Which element of a map shows direction?

5. State four qualities of a good map.

Date	Class	Subject	Time	No. of pupils

THEME : **Our sub county**

SUBTHEME : **Location of our sub county**

INTRODUCTION : The lesson will be introduced by reviewing the previous

CONTENT :

Map symbols

Map symbols are signs which represent real objects and places on the map.

Why are symbols used on a map?

Why are symbols used on a map?

- To avoid over crowding
- To represent real objects
- To make map reading easy

Examples of map symbols.

Symbol

Meaning

River

Bridge

Dam

Mountain peak

Lake

Swamp

Railway line

Quarry

Canal

Water fall

air port

Rift valley

Mine

In land port

contour

Stone age state

Exercise

1. Which element of a map interprets symbols?
2. Give the meanings of the following map symbols.

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Ways of locating places

INTRODUCTION:

CONTENT :

We can find the location of different places using the following ways

- Position of the sun
- Using shadows
- Using Neighbouring places
- Using land marks
- Using a compass
- Using sign posts

Ways of locating places using a compass

- A compass is an instrument used to find direction of places.
- A compass has 4 main points called **cardinal points**

These are: North

- South
- East
- West

Below is a diagram showing the 4 cardinal points of a compass

Note: The direction where the sun appears first is East and where it sets is West

Activity

1. Give one way a visitor coming to your school can find where its found.
2. Tell the time of the day where the shadow is
 - a) On the right hand side
 - b) On the left hand side
 - c) Appears shortest
3. Name the points of a compass shown below

4. Mention the neighbouring zones of Kitete zone in the following directions
 - North
 - South
 - East
 - West
5. In which direction does the sun
 - a) Rise from _____
 - b) Sets from _____

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Ways of locating places

CONTENT : Semi – cardinal points of a compass

Semi – cardinal points are the secondary points of a compass. They are found between two cardinal points ie North East is found between North and East.

Semi - cardinal points

People who use a compass

These people use the compass to find direction of places

- Pilots
- Soldiers
- Tourists
- Sailors
- Rally drivers
- Mountain climbers

Importance of a compass

A compass helps to find direction of different places.

Its for study purpose.

Activity

1. What name is given to the four main points of a compass?
2. Name the instrument used to show direction of places
3. Which element of map has the same function like that of a compass?
4. Give any one semi – cardinal point of a compass.
5. What is the compass direction of A from B

6. Outline two groups of people who use a compass in their daily work.
7. Name the direction between South and West.

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Physical features in our sub county

INTRODUCTION: The lesson will be introduced by reviewing

CONTENT : Physical features in our sub county/ Division

1. What are physical features?

These are natural landforms that give land shape

Physical features are also called **landforms**.

2. What are landforms?

Landforms are natural features that give land shape / in an area.

3. Examples of physical features include the following:-

- hills
- mountains
- valleys
- plains
- lakes
- streams
- rivers
- islands
- oceans
- seas
- rift valleys

4. Examples of physical features found in our division:

- Hills
- Valleys
- A Lake
- Plateaus

Exercise

1. What do we call the natural landforms in an area?
2. Name any three landforms.
3. What physical feature is surrounded by water?
4. Draw and name any two map symbols you know
5. What is the use of a compass on a map?
6. Which physical feature covers the largest place in our division?

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Physical features in our sub county

INTRODUCTION: The lesson will be introduced by reviewing

CONTENT : Physical features in our sub county/ Division

LAKES AND RIVERS

1. What is a lake?

A lake is a large water body in a basin.

2. Examples of lakes in Uganda include the following:-

- Lake Victoria (Natural-lake)
- Kabaka's lake (human-made lake)
- *Lake Albert*
- Lake George

3. What is a river?

A river is a narrow and long flowing water body.

4. Rivers flow from a higher level to a lower level.

NB: There are no rivers in our division.

Importance of lakes and rivers to people

- They are used for water transport.
- People get clay, stones and sand used for building.
- Lakes and rivers provide fish and water to people.
- Rivers help in generating hydro electricity.
- They attract tourists.
- Lakes help in formation of rainfall.

Exercise

1. Name the man-made lake is found in Kampala district.
2. Which water body flows from a high level to a low level?
3. Why do some people like staying near lakes and rivers?
4. *In which division is your school found.*
5. *Whar is the biggest lake in Uganda?*

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Physical features in our sub county

INTRODUCTION: The lesson will be introduced by reviewing

CONTENT : Physical features in our sub county/ Division

PLATEAU

1. What is a plateau?

A plateau is a raised flat topped piece of land.

A plateau is a table land

2. Importance of the plateau to people

- People build houses on the plateau.
- People grow crops on the plateau.
- People graze animals on the plateau.
- Roads, railways and airports are built on plateaus.

HILLS

1. What is hill?

A hill is a slightly raised piece of land.

Examples of hills in our Division

- Ham Mukasa hill on which our school is found.
- Namubiru hill on which we find quarrying.
- Besania hill on which we find Ankrah foundation
- Nabuti hill on which we find Festino.

2. Importance of hills to people

- People settle on hills.
- They grow crops on hill slopes
- People graze their animals on hills
- Hills help in the formation of rainfall.
- People build masts on hills.

Exercise

1. Define a plateau.
2. State two uses of hills to people in Mukono Central Division
3. Name any two hills in our division.
4. *Mention the difference between a map and a picture*

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Physical features in our sub county

INTRODUCTION: The lesson will be introduced by reviewing

CONTENT : Physical features in our sub county/ Division

VALLEYS

1. What is a valley?

A valley is lowland between two or more hills or mountains.

2. A picture of a valley

Examples of valleys in our sub county

- Kame valley
- Kitete –Namubiru valleys

4. Importance of valleys to people:

- People get water from valleys.
- Valleys are used for growing crops.
- People settle in valleys.

5. Why is it not good for people to settle in valleys?

- They flood during the wet season.
- Valleys are breeding places for vectors like mosquitoes.
- There is poor communication network.
- There are landslides in valleys.

Exercise

1. Define a valley.
2. Name any two valleys in Division
3. Write two problems faced by people staying in valleys.

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : VEGETATION

INTRODUCTION: The lesson will be introduced by reviewing

CONTENT : Vegetation in our Sub County/ Division

What is vegetation?

Vegetation is the general plant cover of an area.

Groups of vegetation

1. Natural vegetation
2. Planted vegetation

Types of vegetation

1. *Relief vegetation*
2. *Drainage vegetation*

Swamps

A swamp is a vegetated water logged area.

Examples of swamps in our sub county

- Nakawolole (papyrus) swamp

Activities in swamps

- Farming
- Fishing
- Tourism

Crops grown in swamps

- Rice
- Yams
- Sugarcane
- Papyrus

Exercise

1. List three uses of rivers.
2. What is a swamp?
3. Write any two activities carried out in swamps.
4. Mention any two crops grown in swamps

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : Physical features in our sub county

INTRODUCTION : The lesson will be introduced by story telling

CONTENT : Uses of swamps

- They support faming crops grown include rice, yams, sugarcane
- They are sources of water
- They attract tourists
- They are sources of minerals.
- Swamps are habitats of animals
- People get herbal medicine from the vegetation in swamps

- They are used for study purposes
- They control floods

Define swamp drainage

This is the destruction of swamps for other purposes e.g. settlement, road construction

Fishing

Fishing is the extraction/ catching of fish from water bodies.

Types of fish caught in Uganda

- Tilapia
- Nile perch
- Silver fish
- Lung fish
- Mud fish

The most common type of fish caught in Uganda is Tilapia.

Methods of fishing

- Fishing hooks
- Fishing nets
- Baskets
- Spears

Ways of preserving fish

- By sun drying
- By smoking
- By deep frying
- By tinning

Importance of physical features

- They help in the formation of rainfall e.g. rivers, lakes, mountain
- They attract tourists
- Lakes and rivers support fishing activity
- Some are major sources of water for domestic and industrial use.
- Slopes of hills are used for cultivation
- Valleys are settlement areas
- Swamps are water catchment areas which control flooding

- Swamps are source of crafts materials

Exercise

1. Give two uses of swamps
2. Write three types of fish caught in Uganda
3. Name the commonest type of fish caught in Uganda
4. Write the largest fish caught in Uganda
5. Give three ways of preserving fish
6. list four uses of physical features

Topical Test

3. *In which division is your school found?*
4. *How are lakes and rivers important to people?*
5. *What name is given to the four main points of a compass?*
6. *Who is the political head of a country?*
7. *What is the political language used in schools?*
8. *What is a valley?*
9. *How do we call a vegetated water logged area?*
10. *Which natural forest is found along Kampala Jinja Highway?*
11. *Mention any one man made lake.*
12. *How do we call a representation of an object as seen from above?*
13. *Why do school children put on uniforms?*
14. *Give the difference between a map and a picture.*
15. *Who is a child?*
16. *How is a compass useful to a sailor?*
17. *Who heads a school?*
18. *Mention one way of locating places*
19. *What term is used to mean the plant cover of an area?*
20. *In which direction does the sun rise?*
21. *What is the main duty of the police*
22. *Which map element interprets symbols and signs?*
23. *Name the parts marked*

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : People in our sub county

INTRODUCTION: The teacher will ask learners some examples of tribes in our sub county

CONTENT :

PEOPLE IN OUR SUB-COUNTY

1. What is an ethnic group?

An ethnic group is a group of people with the same origin culture and speaks almost the related languages.

-An ethnic group is also called a **tribal group**.

2. What is a tribe?

A tribe is a group of people with the same origin, and speak the same language.

3. What is a language?

A language is the communication by word of mouth.

A system of words used to name things in a particular discipline

4. What is a clan?

A clan is a group of people under one fore -father. (ancestor)

4. Examples of ethnic groups and their origins in our division

- Bantu
- Nilotics
- Nilo-hamites
- Hamites

1. **Bantu** is the largest ethnic group in our division

Exercise

1. What is a tribal group?
2. What do we call a group of people under one forefather?
3. Name the biggest ethnic group in division.
4. To which ethnic group do you belong?

Tribes and languages in each ethnic group;

Ethnic group	Tribe	Language
1.Bantu	Baganda Basoga, Banyankole Bakiga, Banyoro Batoro, Bagisu, Bagwere, Basamia Baruuli.	Luganda Lusoga Runyankole Rukiga Runyoro Rutoro Lugisu Rugwere Samia Luruuli
2. Nilo-Hamites	Karimojong Iteso Sabiny. Kumam Langi	Akarimojong Ateso Kupsabiny Kumam Langi
3.Nilotics	Acholi Lugbara Jaluo Japadhola	Acholi Lugbara Luo Adhola
4. Hamites	Bahima Batutsi Bahororo	Runyankole Kinyarwanda Runyankole

THEME : Our sub county

SUBTHEME : People in our Division

INTRODUCTION : The lesson will be introduced by reviewing

CONTENT : Leaders in Our sub – county

Who is a leader?

A leader is a person who is given responsibility to guide others

Duties of leaders

- *Encourages others to work hard*
- *Supervises others*
- *Teaches others their responsibilities*
- *Settles disputes*
- *Maintains peace*

Types of leaders

- *Political leaders*
- *Religious leaders*
- *Cultural leaders*
- *Civic leaders*

Administrative set up of leaders in our district

Level leader

- *District* - *LC V chairperson*
- *Municipality* - *Mayor*
- *Division* - *Lc. III chairperson*
- *Ward* - *LC II chairperson*
- *Zone* - *LC I chairperson*

Activity

1. Give any one duty of a leader
2. Who is a leader?
3. Write down any two types of leaders
4. Who is the highest political head of a district?

Date	Class	Subject	Time	No. of pupils

THEME : Our sub county

SUBTHEME : People in our Division

INTRODUCTION : The lesson will be introduced by reviewing

1. Administrative set up of leaders in our division

Leaders

- ***L C V chairperson***
- ***Mayor***
- ***LC III chairperson***
- ***L C II Chairperson***
- ***LC I Chairperson***

Examples of religious leaders include the following.

- Pastors
- Priests
- Sheikhs
- Bishops
- Imams
- Evangelists
- Reverend
- Municipality
- Division
- Zone

2. The roles of religious leaders

- They teach people the word of God.
- They guide and counsel us.
- They help the needy people like; orphans, widows and the blind

Christian sects / denominations

- Catholics
- Anglicans
- Orthodox
- Pentecostals
- S.D.A

Exercise

1. Who is a leader?
2. State any one role of each of these leaders.
 - a. a pastor
 - b. an Imam
3. Mention any two leaders in a church.

Date	Class	Subject	Time	No. of pupils

INTRODUCTION : The lesson will be introduced by reviewing

Members of local council and their responsibilities;

1. Chair person;

- Chairs meetings
- Heads the local council
- Signs official documents

2. Vice chair person;

- Assist the chairman
- In charge of children's affairs.

3. The general secretary;

- records minutes
- keeps records

4) Secretary of finance; -calls the executive meeting

5) Secretary for security

6) Secretary for information, education and mobilization

7) Secretary for youth and education

8) Secretary for women and public affairs

9) Secretary for the disabled.

10) Secretary for production and environmental protection

The mayor of Mukono is **Mr. Kagimu Fred.**

Hon member of parliament – NambozeBakireke

Lc – 5 – Mr. Andrew SsenyongaRuzindana

Mayor – Hon. Kagimu Fred

Zone – Mr. Jingo

L.C III – Mr. KakemboJamil

Exercise

- 1. Who chairs council meetings?**
- 2. Mention two other members of the LC 1 committee.**

TOPICAL TEST

1. Identify three types of leaders in your area.
2. Mention two leaders in a church?
3. Who is the current Mayor of Mukono district?
4. Write the title given to the kings of the following kingdoms.
 - a. Buganda
 - b. Ankole
5. How many members makeup the LC 1 executive committee?
6. Why should a village have a Local Council?
7. Who heads the Local Council?
8. Which LC member is in-charge of the following?
 - a. Children's affairs
 - b. Women's affairs
 - c. Security

9. Why should we have the LC in our areas?

Date	Class	Subject	Time	No. of pupils

THEME : LIVELIHOOD IN OUR SUB-COUNTY SUBTHEME

: Occupations of people in our sub county

INTRODUCTION : The lesson will be introduced by reviewing

CONTENT : Economic activities

OCCUPATIONS OF PEOPLE IN OUR DIVISION

1. What is an economic activity?

An economic activity is any work done by people to get money.

2. People in our areas have different economic activities namely:

- brick making/laying
- fishing
- mining
- pottery
- nursing
- welding
- tailoring
- teaching
- hair cutting
- trade
- cattle keeping
- weaving
- carpentry
- car washing
- road construction
- building
- craft making
- farming;

3. Define these terms;

- a) Trade: Is the buying and selling of goods.
- b) Farming :This is the growing of crops and keeping /rearing of animals
- c) Crafts: Are things made by hands from local materials.eg.
 - balls
 - doormats
 - ropes
 - baskets
 - necklaces

		
a doormat	a basket	a pot

4. The main economic activity of most people in villages is **farming**.

5. The main economic activity carried out near lakes and rivers is **fishing**.

Exercise

1. What do we call work done by people to get money?
2. Give four examples of such activities.
3. What is the main economic activity of most people in villages.

TOPICAL TEST

1. What is an economic activity?
2. State any four economic activities of people in your division.
3. What is the major economic activity around lakes?
4. Write the meaning of the words
 - a. Farming
 - b. Trade
 - c. Crafts
5. Which other term can be used to mean economic activity?
6. Who is a farmer?
7. Name any products produced by these people.
 - a. A farmer
 - b. A tailor
 - c. A carpenter

EDUCATION SERVICE

1. Education service is provided by the following people

- teachers
- lecturers
- professors
- tutors

2. Importance of education

- To learn how to read and write.
- To get jobs.
- To learn how to count.
- People learn how to prevent diseases.

Exercise

1. What are social services?
2. List two social services in your area.
3. Why should people go to school?

Important officials in education service

1. The **District Director of Education** (DDE) heads all schools in a district.

NB. All schools in Uganda are under the **Ministry of Education and Sports. (MOES)**

2. The Minister for Education and Sports is **Hon. Kataaha Janet Museveni.**

3. The state Minister for Primary Education is **Hon Rose Mary Seninde**

4. The Minister for Education in charge of Sports is **Hon. Charles Bakabulindi.**

Exercise

1. **Who heads all schools in a district?**

2. **Write MOES in full.**

3. **Who is the current minister for education and sports?**

Date	Class	Subject	Time	No. of pupils

THEME : LIVELIHOOD IN OUR SUB-COUNTY

SUBTHEMES : water services in our sub - county

INTRODUCTION : The lesson will be introduced by reviewing

CONTENT : Water service

WATER SUPPLY

1. People who provide water services are called **plumbers.**

2. The body responsible for supplying piped water in our country is **NWSC.**

3. NWSC in full is **National Water and Sewerage Corporation.**

SECURITY SERVICE

1. Security means having peace in an area.

2. **People who provide security service in our sub-county include;**

- The army
- Police
- Local Defence Units(LDUs)
- Local Councils(LC)
- Private security guards

3. **How do the above organs keep security?**

a) **The army;** Fights all people who attack us with guns.

- It defends the country from external attacks like rebels.
