HOLIDAY PACKAGE

TERM THREE

Name:

School:

District:

Year:

Kiiza Mayimuna

TEKART www.tekartlearning.com

PART: ONE

MATHEMATICS

SECTION A

1. Simplify; $2n + n + 5n$

2. Count and write down the number of rectangles in the figure below.

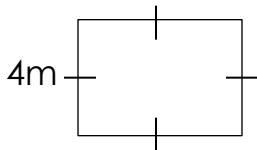

3. Mukasa was born in 2012. How old is he now?

4. Multiply; 242

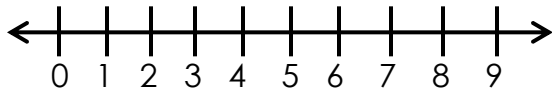

$$\begin{array}{r} 242 \\ \times 3 \\ \hline \end{array}$$

5. Find the total distance round the figure below.

6. Set $K = \{8, 9, 7, 6, 0\}$. Find $n(K)$

7. Workout; $7 - 3$ on a number line below.

8. Mr. Kato bought a sauce pan at Shs. 7000. If he had a note of ten thousand shillings, how much was his change?

9. Write down the place value of the circled digit in the number below.

7824

10. Complete the pattern below correctly.

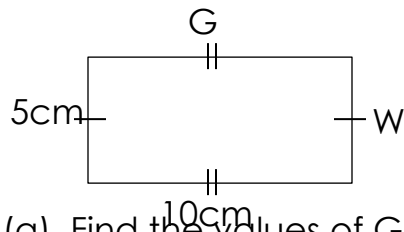

SECTION B

11. Fill in the missing numbers on the magic square below.

7	—	5
—	4	—
3	—	1

12. Study the figure below and answer the questions that follow.

(a) Find the values of G and W.

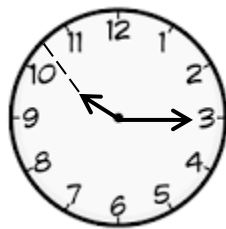

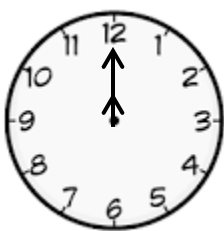

G =

W =

(b) Name the above shape.

(c) Find the area of the above figure.

13(a) Tell the time on the clock face below.

(b) Change 2 hours into minutes.

(c) Write down any month of the year that begins with letter M.

SOCIAL STUDIES

SECTION A

1. Give the meaning of the term culture.

2. How can people keep their money safely?

3. Why is child abuse very bad?

4. Why is it difficult to read a map without a key?

5. Give any one way of controlling child abuse.

6. State one form of child abuse.

7. Give any one feature found on our school badge.

8. Write any one children's right.

9. How did Jesus show love to the world?

10. Draw and name one symbol of a Christian family.

SECTION B

11(a) What is a project

(b) Give two reasons why people start up projects.

(i) _____

(ii) _____

(c) State two things needed to start up a project.

(i) _____

(ii) _____

12(a) What is spending?

(b) Give two ways of spending money wisely.

(i) _____

(ii) _____

(c) State two reasons why budgeting is important before buying things.

(i) _____

(ii) _____

13(a) What is lent?

(b) On which day did Jesus have the last supper?

(c) What do the following represent during Holy Communion?

(i) bread _____

(ii) wine _____

(d) Who prepared the last supper for Jesus?

ENGLISH

Fill in the gaps with the most suitable word.

- d) According to the story, who brought the animals to sing?

- e) Write the title of the story.

B) Study the notice below and answer questions about it.

<u>BIRTHDAY PARTY</u>		
Time	:	3:00p.m. - 4:00p.m.
Venue	:	Serena Hotel
Date	:	Friday, 21st April, 2019
Fee	:	Free
<i>Everyone is invited</i>		
<i>Mr. Ssenoga Alex</i>		

Questions:

1) What is the above notice about?

2) When will the birthday party take place?

3) Who is invited for the birthday party?

4) How much will one pay to attend?

5) On which day will this party take place?

SCIENCE

1. Name one foodstuff got from animals.

.....

2. Why is it dangerous for a child not to be taken for immunization?

.....

3. State any one role of children in a home.

.....

4. How is a snake dangerous to people?

.....

5. Why are we advised to dig and construct trenches in an area?

.....

6. How are gills important to a fish?

.....

7. Why does a cow move from one place to another?

.....

8. How is heat from the sun important in a water cycle?

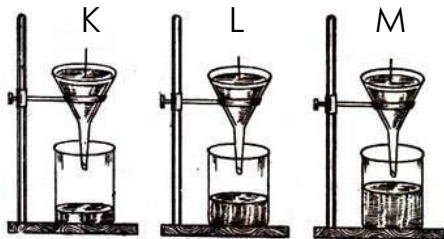

.....

9. How is a winnower useful to a farmer?

.....

SECTION B

10. Use the diagrams about soil below to answer questions that follow.

a) Identify the type of soil in diagram

i) K

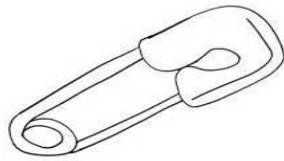

ii) L

iii) M

b) What soil type is suitable for making pots?

.....

11. Below is a diagram of an item used in a home.

a) Identify the above item.

.....

b) How is the above item useful to people?

i)

ii)

c) Why is it dangerous to share the above item with other people?

.....

12. a) What is germination?

.....

b) Write any two conditions necessary for germination.

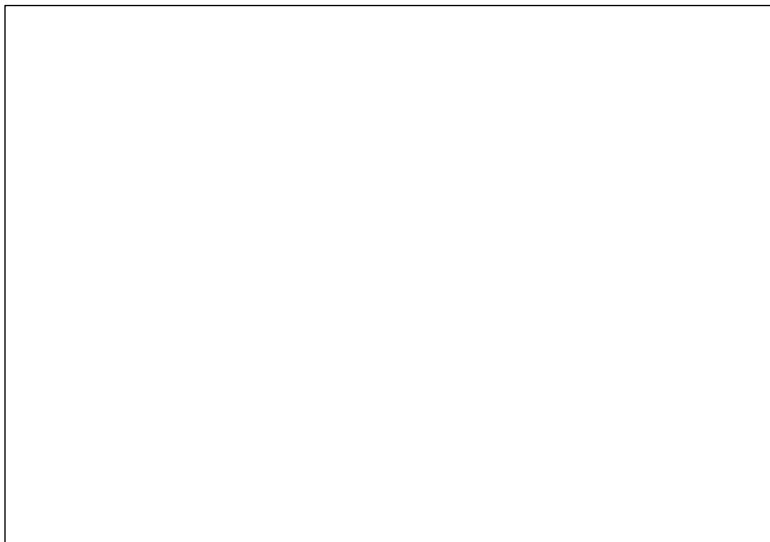

i)

ii)

13. In the space below, draw a rain gauge and name these parts.

a) funnel

b) measuring cylinder

b) Why should a rain gauge be put in an open place?

.....

PART: TWO

MATHEMATICS

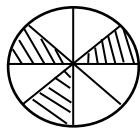

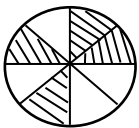

SECTION A

1. A goat has 2 horns. How many horns do 13 similar goats have?

2. Change 1500cm to metres (1m=100cm).

3. John is 16 years old. Write his age in roman numerals.

4. Subtract correctly.

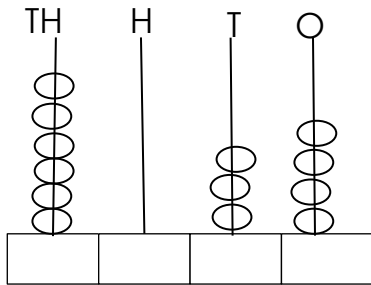

5. What number will Suzan multiply by 4 to get 12?

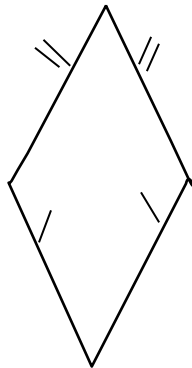

6. Workout the sum of Shs. 2500 and Shs. 900.

7. Set $W = \{\text{days of the week that begin with letter S}\}$. Find $n(w)$.

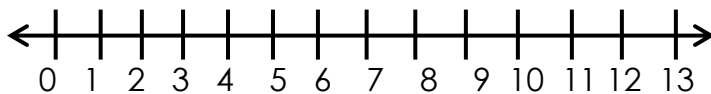

8. Write the number shown on the abacus in words.

9. Show the lines of symmetry on the shape below.

10. Multiply 3×4 using a numberline.

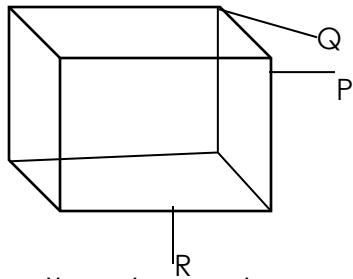

SECTION B

11.a) Expand 4860 using place values.

b) Find the number expanded to give $90 + 100 + 5$.

c) Write the current year in words

12. Study the shape below and answer questions.

a) Name the above shape. _____

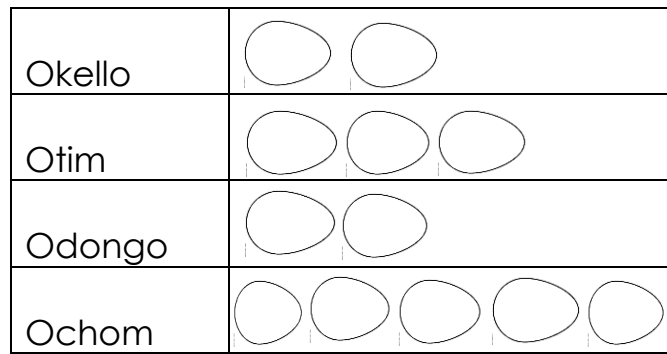

b) Name the parts labelled

i) P _____

ii) Q _____

iii) R _____

13. Use the picture graph below and answer questions that follow.

Scale  represents 5 eggs

a) Who got the highest number of Eggs?

b) How many eggs did Otim get?

c) Which two boys got the same number of eggs?

d) How many more eggs did Ochom get than Otim?

SOCIAL STUDIES

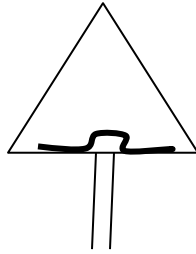

1. Mention any one source of water.

2. How useful are cows to people?

3. Why do we need a fence at school?

4. How is a cobbler important in our community?

5. How can a P.3 child who has got an injury be helped by a classmate?

6. Why is water useful during seed germination?

7. What health problem is likely to be faced by a P.3 child who does not bathe regularly?

8. Spiracles are to grasshoppers as _____ are to spiders.

9. How is the garden tool below useful to a farmer?

10. What is the danger of using the above garden tool carelessly?

PART: THREE

MATHEMATICS

1. Multiply; 3 2 5

$$\begin{array}{r} \times 3 \\ \hline \end{array}$$

2. Reduce 137 by 37

3. What is the sum of 124 and 110?

4. Tom is five years old. Terry is four years older than Tom. How old is Terry?

5. Write XLI in Hindu Arabic numerals.

6. Find the area of a flower garden whose length is 12m and width is 8m.

7. Simplify; $w + 3w + n + 4n$

8. Rogers bought four books at Shs. 20,000. How much did each book cost?

9. What is the place value of 8 in 2896?

10. Eric was born in 2012, how old is he now?

SECTION B

11. Mr. Ogundipe bought the following items.

ball

cup

bowel

(a) How much is the cheapest item?

(b) How much did he pay for a cup and a ball?

(c) If he had a note of Shs. 10,000 and he bought all the items, how much was his balance?

12. Set $L = \{\text{all numbers between 40 and 50}\}$.

(a) List down all members of set L .

(b) Find $n(L)$

(c) Find the sum of the last two members of set L .

13. Use <, > or = to complete correctly.

(i) 3×0 _____ $0 + 3$

(ii) $\frac{1}{4}$ _____ $\frac{1}{8}$

(iii) 2 hours _____ 120 minutes

(iv) 6×10 _____ $10 + 10 + 10 + 10$

SOCIAL STUDIES

1. What do you call the father of your father?

2. Give one reason why children are given names.

3. What does the name Walumbe mean in Buganda?

4. What do we call two children born at the same time by the same mother?

4. Who are walking along the road?

5. Why do you think it is good to cross at the zebra crossing?

6. How many girls are playing netball according to the picture?

SCIENCE

SECTION A

1. Identify one way of weeding.

.....

2. What is germination?

.....

3. Give any one activity which people do that damage the environment.

.....

4. How does a crow move from one place to another?

.....

5. On which main body part of an insect are the legs attached?

.....

6. Why should we keep the school compound clean?

.....

7. Identify any one characteristic of nonliving things.

.....

8. Give any one animal that lives in water.

.....

9. How is the garden tool below useful to farmers?

.....

10. Which month comes just after January?

.....

SECTION B

10. a) What is personal hygiene?

.....

b) Write any **one** way of promoting personal hygiene.

.....

c) Why do we brush our teeth every day?

.....

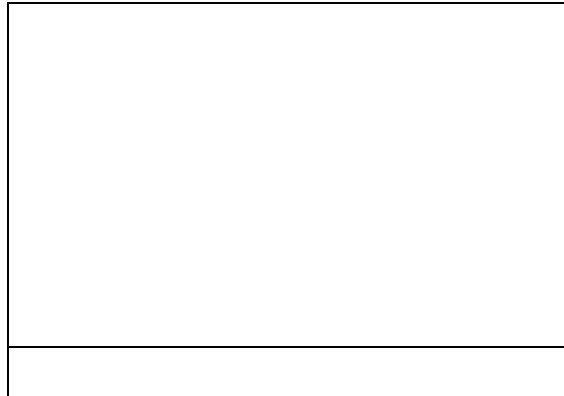

d) Identify any **one** skin disease.

.....

12. a) What is transplanting?

.....

b) Draw and name the tool used for transplanting seedlings.

c) What is the best time for transplanting seedlings?

.....

d) Why do we transplant seedlings in that time mentioned in **(c)** above?

.....

13. a) What is food?

.....

b) Give the importance of these food values;

i) Carbohydrates

.....

ii) Vitamins

.....

iii) Proteins

.....
