**Content** A story titled “The trader” (Ref: Trs bk3 pg 29 – 30)

Read the story below and answer questions that follow in full sentences

In Bunanimi village Mayembe sub-county, there lived a trader called Baba. He was very hardworking. His wife and children were hardworking too.

Baba had a big shop. He sold building materials like cement, nails and paint. He could go up to Busia to buy them for his shop. He sold them at a cheaper price compared to other traders. People were very happy with him. Many of them built houses because of Baba’s good prices.

Baba did not just stop at trading in building materials. At home, he reared animals and grew different crops. People in that sub-county were happy with Baba because he employed many of them on his farm. He paid them very well.

Baba could share ideas with people who wanted to work and be like him. People started working hard by putting up other businesses like the carpentry shops and others went to tailoring. They lived happily together in their sub county. Bravo Baba!

Lesson evaluation

**Theme :** Our environment in our Sub-County/ Division

**Subtheme:** Natural causes of changes in the environment

**Content** Story

Mr. Mutebi loves the environment. He protects it from people who want to destroy it. In the environment, there are both living things and non-living things. The living things include plants, animals, people and non living things include stones, clothes bottles, toys, radio and pots.

Mr. Mutebi goes around telling people about the importance of our environment. He tells them about many things. He says forests are homes of wild animals, birds and insects. Trees give us shelter. Timber is used for building. He tells them that water is used for drinking, building, cooking, washing and for irrigation. People feel very happy to learn all this from Mr. Mutebi. They now know the importance of the environment and care for it.
