a) How many girls are talking in the conversation ?

b) Who was the first girl to speak ?

c) What time of the day do you think it was ?

d) Where was Betty going ?

e) What was Betty taking to her grandmother ?

f) What was Betty's grandmother suffering from ?

g) Who was the last person to speak ?

h) Give the opposite of grandmother ?

i) Make **two** small words from the word good afternoon.

1)_____

2)_____

54. **Read the story below carefully and answer the questions in full sentences.**

PETER BEATS THE DRUM.

Peter beats a drum every Sunday. He beats the drum to call people to church for prayers. The big drum is up in a tall tree near the church. Peter climbs the tree before he can beat the drum.

He climbs the tree at nine o'clock. He beats the drum until the people start singing a hymn at a half past nine o'clock.

Then Peter climbs down the tree and goes into the church.

Questions.

1) Who beats the drum ?

2) On which day does Peter beat the drum ?

3) Where is the drum ?

4) What does Peter do before he beats the drum ?

5) At what time does Peter climb the tree ?

6) What does Peter do when he climbs down the tree ?

7) Why does Peter beat the drum ?

8) What do people do at a half past nine o'clock ?

9) Give the opposite of:-

a) near_____

b) before_____

55. **Read the poem below and answer the questions in full sentences.**

Mother, Mother, Mother
What a caring person you are !
So patient and kind
What a lovely mother I have !
When I fall sick
Mother keeps awake
To check on me
To feed and give me medicine
What a lovely mother I have !
Even when everyone is busy
Mother is always around
In every situation
Mother is by my side
What a lovely mother I have !

By Annet, P.3 S.
Kisubi Girls' School.

Questions.

1) Who wrote the poem ?

2) How many stanzas does the poem have ?

3) What is the poem about ?

4) In which class is the writer ?

5) When does mother keep awake ?

6) How many lines are in the first stanza ?

7) In which school is Annet ?

8) Who is always around ?

9) Give the opposite of :-

a) kind _____

b) awake _____

MATHEMATICS

1. Multiply:
$$\begin{array}{r} 36 \\ \times 2 \\ \hline \end{array}$$

2. Subtract 15 from 30.

3. Write the value of 5 in 4582.

4. Find the next number in the sequence.
10, 12, _____, _____, 18, _____

5. What is the place value of 8 in 480?

6. Seven days make 1 week. How many days are 3 weeks?

7. Divide:
$$\begin{array}{r} 6 \overline{)66} \end{array}$$

8. Write Nine thousand four in figure.

9. Rita bought a bag at shs.1000 and a book at shs700. How much money did she pay altogether?

10. Work out:

3	2	3 metres
+ 4	1	7 metres
<hr/>		
<hr/>		

11. Share 50 mangoes equally among 5 girls. How many will each get?

12. Add: $\frac{2}{8} + \frac{4}{8} =$

13. Expand 4390 using values.

14. If  represents 5 balls, how many balls are represented below?

15. Name the eight month of the year.

16. Complete correctly.

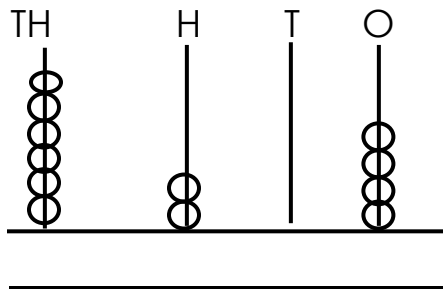

$$10 - 3 = \underline{\quad\quad} + 5$$

17. Fill in $>$ or $<$ or $=$ or \neq below.

5 sweets 6 sweets

18. Write 902 in words.

19. Complete the abacus.

20. Marvin ate $\frac{1}{4}$ of the apple in the morning. He ate $\frac{2}{4}$ of it in the afternoon. What fraction did she eat altogether?

21. Fill in the missing numbers.

$$\square + 3 = 10$$

$$\square \times 4 = 16$$

$$\square \div 2 = 4$$

$$8 - \square = 2$$

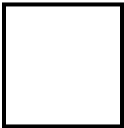

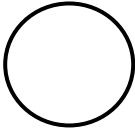

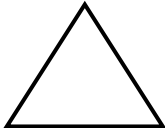

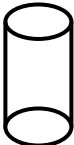

22. Given that $A = \{1, 2, 3, 4, 5\}$ $B = \{4, 5, 6, 7, 8\}$

a) Show the above information on a venn diagram.

b) Write down the members in set $A \cap B$

c) How many members are in set $A \cup B$

23. Name the shapes below.

24. Below is a price list of things in Mr. Kamoga's shop.

Exercise book	shs.800
Pencil	shs.200
Geometry set	shs.2500
Ruler	shs.500
Pen	shs.500

a) How many items were sold in Mr. Kamoga's shop?

b) What is the most expensive item in the shop?

c) Which items cost the same amount of money?

d) Mariam bought an exercise book, pen and pencil. How much did she pay altogether?

25. Work out the following:

a) Add: $243 + 15 + 6$

b) Subtract: 8 3 4 litres

$$\begin{array}{r} - 2 \ 2 \ 5 \text{ litres} \\ \hline \end{array}$$

c) Multiply: 8 3

$$\begin{array}{r} \times 4 \\ \hline \end{array}$$

d) Divide:

$$\begin{array}{r} 2 \overline{)68} \end{array}$$

26. Joshua is 20 years old. Suhailah is 10 years old.

a) Who is younger?

b) Find their total age.

27. Use > or < or = to complete the statements below.

i) 14 days _____ 1 week

ii) $\frac{1}{4}$ _____ $\frac{1}{2}$

iii) 1m _____ 100cm

iv) 1 hour _____ 60 minutes

28. Use a number line to;

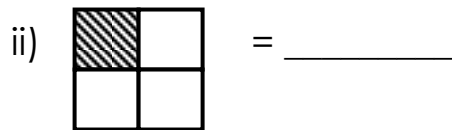

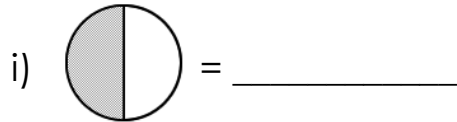

a) Add: $6 + 3$

b) Subtract: $7 - 2$

29. Complete the table below.

Kilograms	2	_____	4	_____
Grams	2,000	6,000	_____	8,000

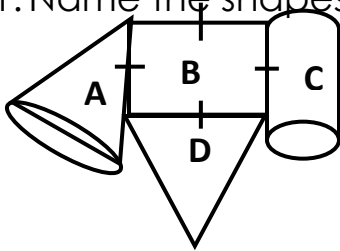

30. a) Write the shaded fraction.

b) Work out.

$$\frac{2}{7} + \frac{1}{7} + \frac{3}{7} =$$

31. Name the shapes from the figure below.

A = _____

B = _____

C = _____

D = _____

b) Draw a kite.

32. Use the information to answer the questions that follow.

1  represents 4 leaves.

Rahman	  
Isiima	
Mariam	 
Aminah	   
Ivan	 

a) Who has the biggest number of leaves?

b) How many leaves does Rahman have?

c) Which children have the same number of leaves?

d) Who has the least number of leaves?

e) How many leaves do they have altogether?

LITERACY ONE A

1. Name any one example of a domestic animal.

2. Why do people brush their teeth every after a meal?

3. Name any one component of soil.

4. How is a watering can useful to a crop farmer?

5. Mention any one item used in cleaning our school compound.

7. State any one activity done by farmers during dry season.

8. Name any one insect that spreads diseases to people.

9. Why do farmers mulch their garden?

10. *Give any one insect eaten by people.*

11. How is the item below useful in our classroom.

12. Name any one component of air.

13. How does a fish move in water?

14. Write any one way of preserving meat.

15. Which process helps in formation of clouds in the atmosphere?

16. How are roots useful to plants?

17. Give the use of trees to wild birds.

18. Mention any one area where people get food in our environment.

19. Give any one reason why bees visit flowers.

20. At what time of the day is the shadow longest?

21. Draw and name any one item used in cleaning our body.

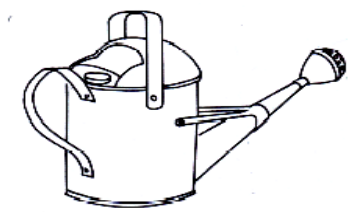

22. What is the best food for a baby below 3 months?

23. Name any one example of people made changes in our environment.

24. Give any one fruit tree found in our school compound.

25. The diagram below shows a garden tool. Give the use of this garden tool to a farmer.

26. How do farmers improve on their soil fertility?

27. Name the immunisable disease that makes children lame.

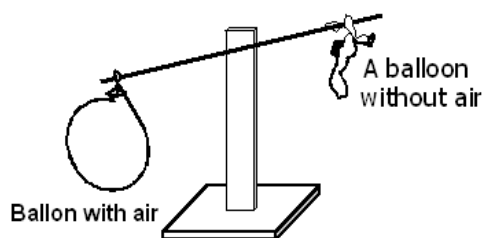

28. Which kind of weather makes a farmer to water his crops?

29. How do people protect their garden tools from rusting?

30. Why do people boil water for drinking?

31. What do bees use when moving?

32. Which property of air is shown on the diagram below?

33. How is water useful in our homes?

34. Name any one common accident at home.

35. In the space below, draw a hoe.

36. Name any one example of natural source of water.

37. Write any one use of electricity at home.

38. Mention one way how water sources can be made dirty?

39. Identify any one material used in mulching gardens.

40. How do farmers care for their crops in a garden?

41. **Plants are living components of environment.**

(a) Name any **one** example of plants found in our school environment.

(b) Why do people plant trees in their compounds?

(c) Name any **one** animal that uses trees as its habitat.

(d) Apart from fruits what else do people get from trees?

42. (a) What is first aid?

(b) Give any **two** reasons why we give first aid to casualties?

(i) _____

(ii) _____

(c) Name any **one** item used in giving first aid.

43. (a) Name any **two** classes of food that form a balanced diet.

(i) _____ (ii) _____

(b) How is food useful in our bodies?

(c) Give any **one** example of a food stuff rich in proteins.

44. (a) What is germination?

(b) Mention any **two** conditions necessary for seed germination.

(i) _____

(ii) _____

(c) What is the best time for transplanting seedlings?

45. (a) What is crop rotation?

(b) How is crop rotation useful to a crop farmer?

(i) _____

(ii) _____

(c) Give the use of cow dung to people.

46. (a) Name any **one** activity done to keep our body clean.

(b) Why do people iron their clothes?

(c) Name any **two** items used in cleaning our body.

(i) _____ (ii) _____

47. **Plants are source of food in our environment.**

(a) Which part of the plants below is eaten?

(i) Sugar cane _____

(ii) Cabbages _____

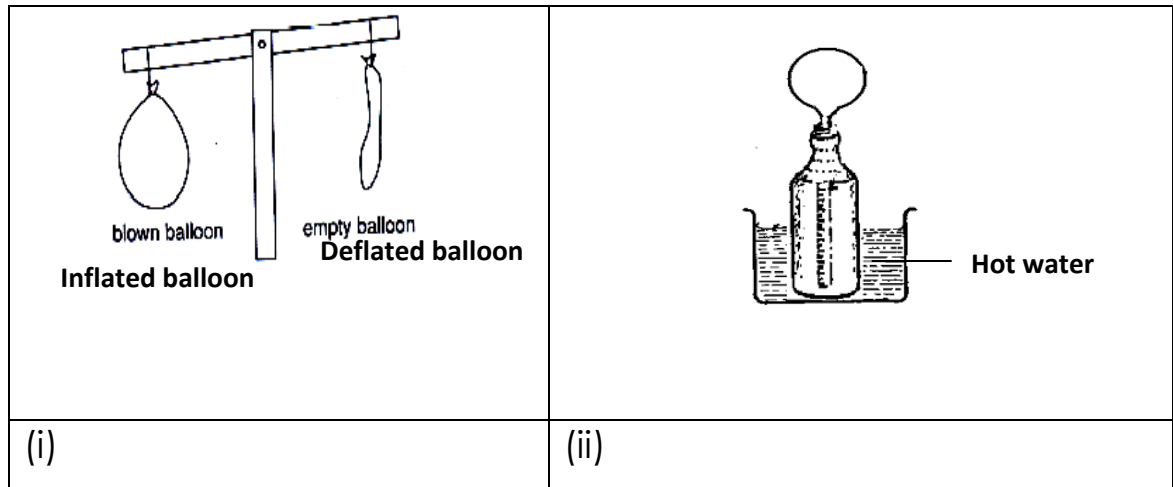

(b) Mention any **two** ways how farmers care for their crops.

(i) _____

(ii) _____

48. a) What is air?

(b) Name the property of air shown in the diagram below.

(c) How is carbondioxide useful to plants?

49. (a) Name any **two** processes that help in formation of rainfall.

(i) _____

(ii) _____

(b) How is the sun useful during rain formation?

(c) Name the cloud that gives us rain.

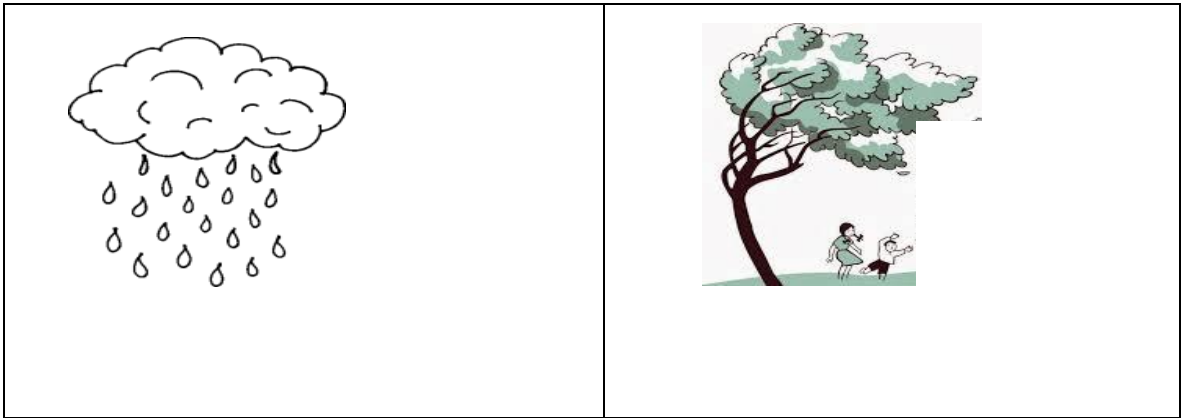

50. (a) Name any **one** component of soil.

(b) How is soil formed?

(c) Which type of soil is used in pottery?

(d) Why is loam soil considered to be the best for crop growing?

51. The pictures below shows types of weather.

(a) Identify the types of weather shown above.

(i) _____ (ii) _____

(b) Name any **one** activity done by farmers during dry season

(c) Name any **one** item that protects people from rainy weather

52. (a) Name any **two** examples of childhood immunisable diseases.

(i) _____

(ii) _____

(b) Mention any **one** group of people that carry out immunization.

(d) How is immunization useful to children?

53. **Match animals to their movement correctly.**

Animals

snake

dog

fish

frog

Movement

swimming

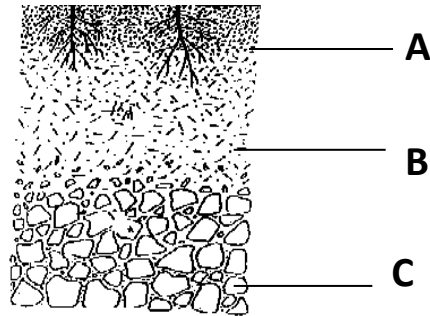

leaping

slithering

running

- (i) snake _____
- (ii) dog _____
- (iii) fish _____
- (iv) frog _____

54. The diagram below shows layers of soil.

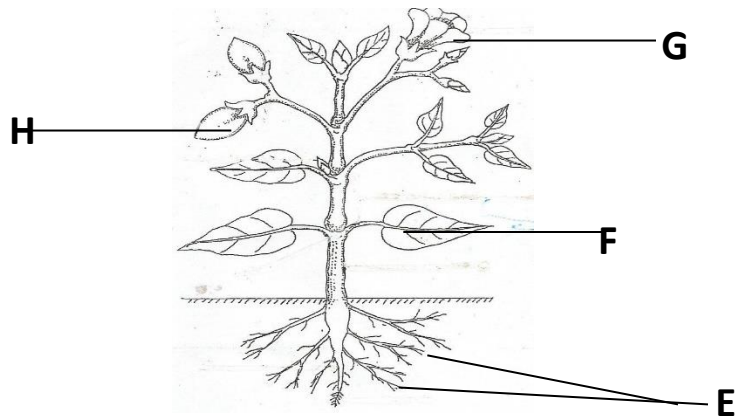

(a) Name the layers marked.

(i) **A** _____ (ii) **B** _____

(b) What name is given to the above arrangement of soil?

(c) Which layer supports the life of living organisms?

55. The diagram below shows a plant.

(a) Name the parts labelled E and G.

(i) **E** _____ (ii) **G** _____

(iii) **H** _____

(b) Give the use of part marked **F** to the plant.

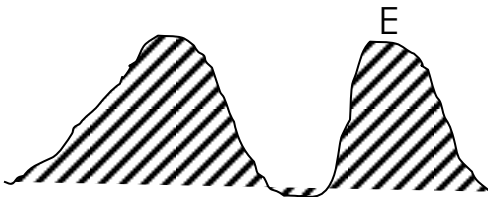

LITERACY ONE B

1. How do we call a representation of an object as seen and draw from above?

2. Give one reason why people give first aid.

3. Who is a child?

4. Name the physical feature marked E.

5. Give one example of a child's right.

6. _____ is the president of Uganda.

7. Mention one crop grown in a swamp.

8. How is too much sunshine dangerous to people?

9. What is a legend?

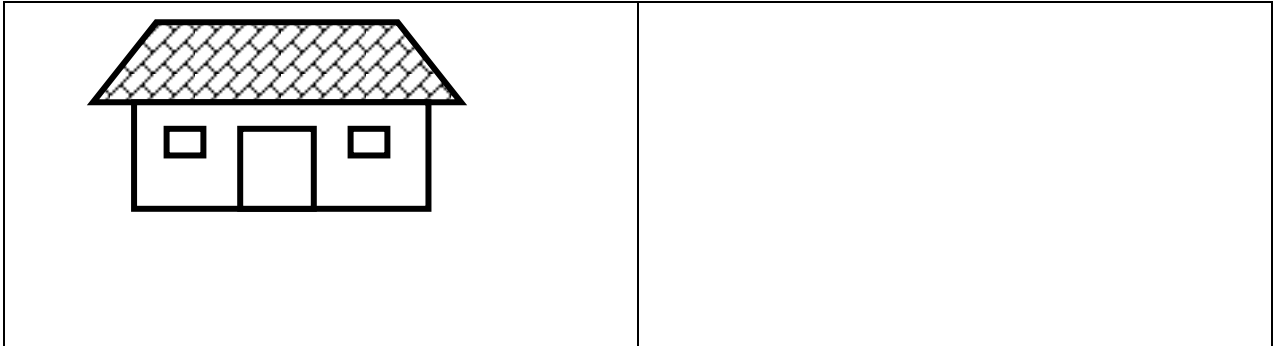

10. Name one artificial source of light.

11. Name one type of a family.

12. Who cooks food at home?

13. What is a valley?

14. Draw the map of the picture given below.

15. Give one example of a physical feature.

16. State one element of a good map.

17. What is a family?

18. Mention one example of a social service.

19. What title is given to the cultural leader in Buganda?

20. In which district is your school located?

21. List down one school symbol you know.

22. What social service does a teacher provide?

23. Give the type of soil from which cups are made.

24. Write LC in full.

25. Name the biggest ethnic group in Uganda.

26. Name one group of people who use a compass in his/her work.

27. Name the largest hospital in Uganda.

28. Why do police officers wear uniforms?

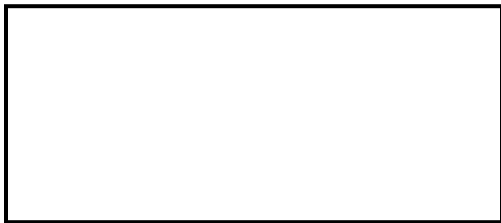

29. From which animal do we get wool?

30. Who heads a local council committee?

31. How many members make up a local council committee?

32. Give the type of soil from which cups are made.

33. Draw and name one example of a temporary house.

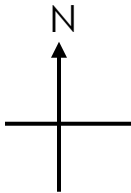

34. Write down the motto of your school.

35. Write C.A.O in full.

36. Name one type of transport.

37. State the quickest means of transport.

38. What does the symbol below represent on a map?

39. Write any one local means of communication.

40. A calf is to a cow as a _____ is to a goat.

41. a) Name the road signs below.

b) Write any one cause of road accidents.

c) Which traffic light tells the drivers to get ready?

b) Give the use of a compass.

c) Apart from a soldier, give two other people who use a compass.

43. a) What are domestic animals?

b) Mention three examples of domestic animals.

i) _____

ii) _____

iii) _____

44. a) What are social services?

b) Write the social service provided from these places.

i) Hospital _____

ii) Police station _____

iii) School _____

45. a) What is a school?

b) Write down any three symbols of a school.

i) _____

ii) _____

iii) _____

46. a) Give two examples of food crops.

i) _____

ii) _____

b) Mention any two sources of food.

i) _____

ii) _____

47. Complete the table.

Tribes

King

Baganda

Kyabazinga

Emorimoli

48. a) What are legends?

b) Who was the wife of Kintu?

c) Name the first Muganda on earth.

49. Name the languages used by the following;

i) Banyoro _____

ii) Bamasaba _____

iii) Bagwere _____

iv) Baganda _____

50. Write down four use of water to people.

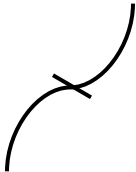

i) _____

ii) _____

iii) _____

iv) _____

51. Name the map symbols below.

52. a) What are economic activities?

b) Outline any three examples of economic activities done by people.

i) _____

ii) _____

iii) _____

53. Name any four physical features you know.

i) _____

ii) _____

iii) _____

iv) _____

54. a) What is transport?

b) List down three types of transport.

i) _____

ii) _____

iii) _____

55. Match the occupation with a person.

Occupation

Person

Farming

fisherman

Tailoring

farmer

Fishing

trader

Trading

tailor

READING

1. **Copy and write.**
