

# P-3 Literacy

## LEVEL OF WORK FOR TERM 3

WK	PD	THEME	STHEM	CONTENT	COMFORTENCES	METHODS	L/ACTS	L/ACTIVITIES	L/SKILLS	REFLECTIONS
1	1	Gender and culture	Culture	Culture is the way people live and behave.	Identifies things which show culture Spells and pronounces new words related to culture	Brain storming Guided Discussion	Chalk board use	Defining culture Spelling words related to culture	Critical thinking	Simplifying literacy
	2		Customs and cultural practices	Elements of culture Dancing style Dressing style Food taboos Customs	Identifies new words related to culture Defines the term culture	Brainstorming Guided Discussion	A chart of cultural practices	Identifying things which show culture	Logical reasoning	Developing literacy
	3			Customs are ways of behaving which a particular group of people have had for a long period of time, eg crying for the dead Last funeral rites Circumcision Paying bride price	Identifies traditional customs Give cultural practice. Suggests common customs of our class	Brainstorming Guided Discussion	Suggesting common customs of our class	Identifying traditional customs	Logical reasoning	Developing literacy
	4			Promoting and preserving culture	Give ways of promoting culture. Spells and pronounces new words related to culture	Discussion brainstorming	A chart of ways of promoting culture	Giving ways of promoting culture. Spelling and pronouncing new words related to ways of promoting culture	Critical thinking	Developing literacy
				Through legends Through cultural games and sports Through cultural music and drama in schools By respecting cultural norms and beliefs						
				Marriage	Identifies types of marriage Spells and pronounces new words related to marriage	Guided discussion	Chalk board illustration	Identifies types of marriage Spelling and pronounces new words related to marriage	Critical thinking	Developing literacy

				Religious marriage Customary marriage						
1	5		Bride price	<u>Materials paid as bride price.</u> Cows Goats Money drinks	States materials paid as pride price Defines the term bride price	Brain storming	A written chart of items paid as bride price	Stating materials paid as pride price Giving the meaning of the term bride price	Friendship formation	Literacy book 3 page 181
2	1	Gender and culture	Traditional dances	Traditional dances among different tribes Tribe Traditional dance  Bagisu - kadodi, imbalu Batcooro - runyeye Baganda -nakasa, bakisimba Acholi - dingdingi, arakaraka Banyankore -kitagururo Banyoro -entogoro Bakiga -ekizino	Identifies traditional dances from different tribes Spells new words related to traditional dances correctly	Explanation Guided discussion	A chart of traditional dances traditional dances	Identifying traditional dances. Spelling new words related to traditional dances correctly	Logical reasoning	Literacy learners bk 3 P.S9
2	2	-do-	Importance of traditional dances and songs	Importance of traditional dances and songs  They entertain people They promote culture They promote joy and happiness They give people identity	Identifies importance of traditional dances Identifies traditional dances. Spells new words related to traditional dances correctly	Question and answer Brain storming	A chart of importance of traditional dances	Identifying importance of traditional dances Identifying traditional dances. Spells new words related to traditional dances correctly	Logical reasoning	Literacy learners bk 3 pg 9
2	3	-do-	Traditional musical instruments	Traditional musical instruments Drum, bow harp, panpipes, Guitar, horn, flute, tuba fiddle, long drum	Mentions traditional musical instruments Draws some traditional	Brain storming guided discussion	A drawn chart of drawn musical instruments	Drawing some musical instruments Mentioning traditional musical	Creative thinking	- Literacy learners bk 3 pg 10

				musical instruments			instruments		
2	4	-do-	Food taboos	<b>Food taboos</b> <u>Food taboos are</u> traditional rules concerning food Taboos are traditional rules and beliefs that stop people from acting badly in the society	Gives the meaning of food taboos. Gives food taboos Spells new words related to food taboos correctly	Brain storming guided discussion	Chalk board illustration	Identifying traditional rules Giving food taboos Spelling new words related to food taboos correctly	Critical thinking
	5	do-	Totems and clans	<b>Totems and clans</b> <u>A totem</u> is an object given respect by people of the same clan A clan is a group of people who have the same ancestor.	Defines a totem Identifies common clans and their totems among tribes	Explanation discussion	Chalk board illustration	Defining the term totem Identifies common clan totems among tribes	Logical reasoning
1		do-	Importance of culture	<b>Importance of culture</b> Culture promotes unity Culture promotes morals Culture gives us identity Culture promotes tourism Cultural dances entertain people.	Gives importance of culture Spells and pronounces new words related to culture	Brain storming Guided discussion	A written chart of importance of culture	Discussing importance of culture Spelling and pronounces new words related to culture	Logical reasoning
2	-do -		Gender	Gender is the state of being a male or a female Activities done by ; GIRLS Cooking Washing utensils BOYS ; Hunting Building houses	Spells and pronounces new words related to gender balance Suggests activities done by boys and girls	discussion	A written chart of activities done by boys and girls	Spells and pronounces new words related to gender balance Suggesting activities done by boys and girls	Simplified literacy bk 3 pg 52-d-do -o -

3	3	-do -	Gender balance	<b>Ways of treating both boys and girls equally</b> Providing education to both boys and girls Providing medical care to both boys and girls Respecting rights of both boys and girls	Gives ways of treating both boys and girls equally Spells and pronounces new words related to culture correctly	Brain storming	A written chart of ways of treating both boys and girls equally	Giving ways of treating both boys and girls equally Spelling and pronounces new words related to culture correctly	Critical thinking	Thematic curriculum bk 3 pg 176	
3	4		Revision exercise	1 What is culture? 2 Why is culture important? What are customs?	Answering written questions	Question and answer	Questions on the chalkboard	Answering written questions	Critical thinking	Tr's own collection	
3	5		Dangerous cultural practices	<b>Dangerous cultural practices</b> Inheriting widows Circumcising girls Child sacrifice <b>Dangers of caused by some cultural practices</b> Death Lameness Spread of HIV/AIDS	Giving dangerous cultural practices Spells and pronounces new words related to culture correctly	Brain storming guided discussion	Chalk board illustration	Giving examples of dangerous cultural practices Spells and pronounces new words related to culture correctly	Peer resistance	Thematic curriculum bk3 pg 177	
4	1		Ethnic groups	<b>Ethnic groups</b> Nilotic Nilo Hamites Bantu Hamates	Identifies ethnic groups Spells and pronounces new words related to ethnic groups correctly	Question and answer	A written chart of ethnic groups	Identifying ethnic groups Spells and pronounces new words related to ethnic groups correctly	logical reasoning	Thematic curriculum bk3 pg 177	
1	2		Tribes from different ethnic groups	<b>Ethnic groups</b> Tribes Bantu Baganda  Bakiga  Banyankore Nilotic Acholi Alur Lang	Identifies tribes among different tribes Spells and pronounces new words related to tribes and ethnic groups correctly	Brain storming Explanation	A written chart of tribes	Identifies tribes among different tribes Spells and pronounces new words related to tribes and ethnic groups correctly	logical reasoning	Thematic curriculum bk3 pg 177	

				Hamites Nilo Hamates Karamojong Iteso	Bahima						
4	3	Local language among different tribes	Local languages Lugisu Luganda Luo Langi Acholi Runyankore Lugisu Ateso	Identifying local languages among different tribes Spells and pronounces new words related to local languages correctly	Discussion	A written chart of tribes and languages	Identifying local languages among different tribes Spells and pronounces new words related to local languages correctly	Critical thinking	Thematic curriculum bk3 pg 177		
4	4	Revision exercise	What is as ethnic group? Name the biggest ethnic group	Answers written questions Reads and interprets questions	Question and answer	Chalk board illustration	Answering written questions Spelling words	Logical reasoning	Tr's own collection		
4	5	legends	The legend of Mundu and Seera	Names the first Bagisu Names the tribe from which the legend is got	Story telling	The legend of Mundu and Seera In text books	Retelling the story Answering oral questions about the legend	Critical thinking	Thematic curriculum bk3 pg 177		
1	1	legends	The legend of Bachwezi	Names the king of Bachwezi	Story telling	The legend of Gipiir and Labong in Text books	Retelling the story Answering oral questions about the legend	Logical reasoning	Thematic curriculum bk3 pg 177		
2	2	legends	The legend of Gipiir and Labong	Names the sons of Olum Answers written questions	Story telling	The legend of Gipiir and Labong Text books	Retelling the story Answering oral questions about the legend	Logical reasoning	Thematic curriculum bk3 pg 177		

5	3		legends	The legend of Ruhanga	Lists the sons of Ruhanga Spells words	Story telling	Text books	Retelling the story Answering oral questions about the legend	Critical thinking	Thematic curriculum bk3 pg 176	
5	4		Revision exercise	What are legends? How are legends useful?	Reads and interprets questions given Answers written questions	Question and answer	Chalk board illustration	Doing a test Answering both oral and written questions	Logical reasoning	Tr's own collection	
5	5		family	<u>Types of families</u> Nuclear family Extended family Foster family	Defines families Names types of families	Brain storming	A drawn chart of family members	Discussing types of families	Critical thinking	PSCU bk 3 p 44	
6	1		revision	What is a family? What is culture?	Reads and interprets questions given Answers written questions	Question and answer	Chalk board use	Doing a test Answering written questions	Logical reasoning	Tr ,s own collection	
6	2	Health in our division	Vectors	<u>Vectors;</u> <u>Vectors</u> are living organisms that spread germs. Mosquito, rats, louse, cockroach, housefly, tsetse fly, flea, bed bug, rabid dog	Defines the term vectors Identifies vectors	Explanation Discussion	A chart of vectors	Giving the definition of the the term vectors Identifying vectors	Critical thinking	P3 MK Sci bk pg 114	

6	3	Health in our division	Vectors	<u>Diseases</u> — vectors Malaria ..... Cholera ..... Typhoid ..... Yellow fever ..... Plague ..... Diarrhea ..... Dysentery ..... Trachoma ..... Sleeping sickness .....	Identifying vectors for the following diseases Spells and pronounces new words related to vectors Drawing vectors	Brain storming Question and answer	A written chart of vectors	Drawing vectors Spelling new words related to vectors correctly Identifying vectors for different diseases	Logical reasoning	P3 MK Sci bk pg 114	
4	4	Health in our division	Vectors	<u>Exercise</u> What are vectors? Name two insect vectors Why are rats called vectors?	Reads and interprets questions Answers written questions	Question and answer	Chalk board use	Answering written questions	Critical thinking	P3 MK Sci bk pg 114	
5	5	Health in our division	germs	<u>Germs</u> <u>Germs</u> are tiny organisms that cause diseases eg Protozoa Virus Bacteria Fungi	Defines the term germs Names common germs	Brain storming	A drawn chart of vectors	Spelling new words related to germs Naming types of germs Defining the term germs	Problem solving	P3 MK Sci bk pg 114	
		.... in our division	House flies	<u>Diseases spread by house flies</u> Malaria, cholera , typhoid , yellow fever , plague , diarrhea , dysentery , trachoma	Identifies diseases spread by a house fly Spells new words related to diseases spread by a house fly	Discussion Brain storming	A written chart of vectors	Spelling new words related to diseases spread by a house fly Identifies diseases spread by a house fly	Problem solving	P3 MK Sci bk pg 110	

7	2	Health in our division	The 4Fs chain	Faeces-Flies-Food-Fingers	Identifies diseases spread through 4Fs chain  States diseases spread by a house fly Spells new words related to a housefly	Discussion Brain storming	A chart of 4Fs	Identifying diseases spread through 4Fs chain  Stating diseases spread by a house fly Spelling new words related to a housefly	Problem solving	Thematic curriculum bk3 pg 177	
7	3	Health in our division	test	What are vectors? Name two insect vectors	Reads and interprets questions given correctly Answers written questions	Question and answer	Chalk board use	Spelling new words Answering both oral and written questions	Problem solving	Tr,s own collection	
7	4	Health in our division	mosquito es	Mosquitoes Types of mosquitoes Culex mosquito Aedes/tiger mosquito Female anophleles mosquito	Identifies diseases spread by each type of mosquitoes Spells new words related to mosquitoes correctly	Brain storming	A written chart of vectors	Identifying types of mosquitoes Spelling new words related to mosquitoes correctly	Problem solving	P3 MK Sci bk pg 110	
7	5	Health in our division	mosquito es	Life cycle of a mosquito Eggs....larva..pupa...adult mosquito	Identifies breeding grounds of mosquitoes Mentions the stages of growth of a mosquito Draws and names the four stages of growth of a mosquito	Discussion Brain storming	A drawn chart of life cycle of a mosquito	Identifying breeding grounds of mosquitoes Mentioning the stages of growth of a mosquito Drawing and naming the four stages of growth of a mosquito	Problem solving	P3 MK Sci bk pg 113	

8	1	Health in our division How to control	How to control malaria	Ways of controlling malaria Spraying insecticides Draining stagnant water near our homes Sleeping under treated mosquito nets Using mosquito traps Cutting tall bushes around our homes	Identifies ways of controlling malaria Spells new words related to malaria correctly	Discussion Brain storming	Chalk board use	Identifying ways of controlling malaria Spelling new words related to malaria correctly.	Logical reasoning	P3 MK Sci bk pg 113	
8	2	Health in our division How to control	How to control vectors	Ways of controlling vectors Spraying insecticides Using traps Using poison Covering food	Gives ways of controlling vectors Spells new words related to vectors correctly	Discussion Brain storming	Chalk board use	Giving ways of controlling vectors Spelling new words related to vectors correctly	Logical reasoning	P3 MK Sci bk pg 113	
8	3	Health in our division How	HIV/AIDS	HIV/AIDS HIV-Human Immunodeficiency Virus AIDS-Acquired Immune Deficiency Syndrome	Writes the following in full ; AIDS HIV Spells new words related to HIV/AIDS correctly	Brain storming Question and answer	Written PIASCY messages	Writing the following in full ; AIDS, HIV Spelling new words related to HIV/AIDS correctly	Problem solving	P3 MK Sci bike pg 113	
8	4	Health in our division How	Spread of HIV/AIDS	Spread of HIV/AIDS Through having unprotected sex with an infected person Sharing sharp objects with an infected person	Explains how HIV/AIDS is spread Spells new words related to HIV/AIDS correctly	Brain storming Question and answer	Written PIASCY messages	Explaining how HIV/AIDS is spread Spelling new words related to HIV/AIDS correctly	Problem solving	P3 MK Sci bk pg 113	

8	5	Health in our division How	How to control the spread of HIV/AIDS Abstain from sex till marriage	How to control the spread of HIV/AIDS Abstain from sex till marriage	Gives ways of controlling the spread of HIV/AIDS Spells new words related to HIV/AIDS correctly	Brain storming Question and answer	Written PIASCY messages	Giving ways of controlling the spread of HIV/AIDS Spelling new words related to HIV/AIDS correctly	Problem solving	P3 MK Sci bk pg 113	
9	1	Health in our division How	PIASCY  PIASCY- Presidential Initiative on AIDS Strategy for Communication to the Youth	PIASCY  PIASCY- Presidential Initiative on AIDS Strategy for Communication to the Youth	Writes down PIASCY messages Spells new words related to PIASCY	Brain storming Question and answer	Written PIASCY messages	Writing down PIASCY messages Spelling new words related to PIASCY	Logical reasoning	P3 MK Sci bk pg 113	
9	2	Health in our division How	REVISION	What are germs? How germs spread?	Reads and interprets questions given Answers written questions	Question and answer	Chalk board use	Reading and interpreting questions given Answering both oral and written questions	Problem solving	Tr,s own collection	
9	3	Basic technology	Technology  Technology is the practical way of doing work <u>natural materials from which we make things</u> banana fires palm leaves clay wool wood	Identifies natural materials from which we make things Spells new words related to technology correctly	Discussion Brain storming	Clay Banana fibres	Identifying natural materials from which we make things Spelling new words related to technology correctly	Creative thinking	Thematic curriculum bk3 pg 176		
9	4	Basic technology	Artificial materials from which we make things  Wires Threads Polythene bags Bottle tops Paper Straws	Artificial materials from which we make things  Wires Threads Polythene bags Bottle tops Paper Straws	Identifies artificial materials from which we make things Spells new words related to technology correctly	Discussion Brain storming	Treads Straws	Identifying artificial materials from which we make things Spelling new words related to technology correctly	Creative thinking	Thematic curriculum bk3 pg 176	

9	5	Basic technology	Processes involved in making things Weaving Plaiting Lacing modeling	Identifies processes involved in making things Spells new words related to technology correctly	Discussion Brain storming	Car toys	Identifying processes involved in making things Spelling new words related to technology correctly	Creative thinking	Thematic curriculum bk3 pg 176	
10	1	Basic technology	Tools used things at home Knife Hammer Needle Axe Panga	Identifies tools involved in making things Spells new words related to technology correctly	Discussion Brain storming	Hammer	Identifying tools involved in making things Spelling new words related to technology correctly	Creative thinking	Thematic curriculum bk3 pg 176	
10	2	Basic technology	Importance of things we make We sell them and get money Some are playing materials Some are edible Some are use for decoration	Gives importance of things we make at home Spells new words related to technology correctly	Discussion Brain storming	Chalk board use	Giving importance of things we make at home Spelling new words related to technology correctly	Creative thinking	Thematic curriculum bk3 pg 220	
10	3	Basic technology	revision	What is technology? Name 2 tools involved in making things Name 3 processes involved in making things	Reads and interprets questions given Answers written questions	Question and answer	Chalk board use	Reading and interpreting questions given Answering 1 written questions	Logical reasoning	Tr,s own collection
10	4	energy	Natural sources of energy Sun Running water Plants Animals Hot springs , wind	Identifies natural sources of energy Spells new words related to energy correctly	Explanation Discussion Question and answer	Local environment	Identifying natural sources of energy Spelling new words related to energy correctly	Creative thinking	Simplified literacy bk 3 pg 105	

10	5	energy	artificial sources of energy	Artificial sources of energy Diesel ,paraffin, petrol, batteries, torch	Identifies artificial sources of energy Spells new words related to energy correctly	Explanation Discussion Question and answer	Battery	Identifying artificial sources of energy Spelling new words related to energy correctly	Creative thinking	Simplified literacy bk 3 pg 105	
10	1	energy	Forms of electricity	Solar electricity Hydro electricity Bio gas	Identifies forms of electricity Spells new words related to electricity correctly	Explanation Discussion Question and answer	Chalk board use	Identifying forms of electricity Spelling new words related to energy correctly	Creative thinking	Simplified literacy bk 3 pg 105	
11	2	energy	electricity	Uses of electricity Dangers of electricity	Gives dangers of electricity Spells new words related to electricity correctly	Explanation Discussion Question and answer	Chalk board use	Giving dangers of electricity Spelling new words related to electricity correctly	Logical reasoning	Simplified literacy bk 3 pg 105	
11	3	energy	fuel	Fuel is any material that produces heat when burnt eg wood fuel, diesel, paraffin, petrol	Gives examples of fuel Spells new words related to fuel correctly	Explanation Discussion Question and answer	charcoal	Giving examples of fuel Spelling new words related to fuel correctly	Logical reasoning	Simplified literacy bk 3 pg 105	
11	4	energy	Ways of saving wood fuel	Planting trees Putting off fire after use Using charcoal saving stoves	Gives examples of fuel Spells new words related to fuel correctly	Explanation Discussion Question and answer	Local environment	Giving examples of fuel Spelling new words related to fuel correctly	Logical reasoning	Simplified literacy bk 3 pg 105
